## Cricket Club Man Heads Tennis

*W. D. R. Evans Also Officer of M.S.S.L.T.A.*

The Middle States Sectional Lawn Tennis Association held its first annual business meeting at the Benjamin Franklin Hotel Friday night. Charles Garland, of Pittsburgh, sang his swan song and L. Casper Wister, of Wynnewood, was elected to the vacant presidential seat.

The only other new officer to go into office was W. D. R. Evans, of Narberth, who succeeded William P. Rowland. Paul W. Gibbons was re-elected as vice president, and Louis DeLone, of Overbrook, was again made treasurer. Paul Gibbons was also chosen as sectional delegate to the National Executive Committee. The Middle States Executive Committee consists of the following: A. J. Batty, of Cynwyd; T. W. Harris, H. Y. Lake, L. J. Luckenbach, J. E. McClain, S. M. Peacock, G. W. Reily, J. W. Wear and William P. Rowland.

There was excitement when the time came for the election of a man to be recommended as delegate-at-large to the Executive Committee of the U. S. L. T. A. William P. Rowland was finally elected over Bill Tilden by a very slight majority. Mr. Rowland was nominated by Mr. Paul Gibbons, while Mr. Tilden was nominated by Charles P. Garland.

Charles M. "Chuck" Garland, of Pittsburgh, has just finished the year as president of the Middle States, and since his moving to the metropolitan district precluded all possibility of re-election, the Interclub and Philadelphia Tennis Association agreed upon alternating the presidency. Since the P. T. A. generously withdrew in favor of the Interclub under this arrangement, Mr. Wister comes into the leadership, the first Philadelphia section man to fill the chair.

The Middle States Tennis Association, both in territorial and national voting strength, is one of the largest in the country and includes Pennsylvania, Delaware and all of New Jersey, with the exception of that area within 35 miles of New York's City Hall.

There are more than 200 clubs with 10,000 active members in the Middle States, and from the meeting Friday night there is every indication that it will enjoy a prosperous year.

### A Mile of Smiles.

Who wouldn't prefer an evening of fun to an evening of doleful seriousness? A census of Narberth folks proves that only one out of every thousand would not. Therefore, we shall let that one stay at home, and you 999 be sure to save Friday evening, February 27, and take in "Cynthia's Strategy," a comical musical sketch, to be given by the Methodist Church Quartet. And you ought to hear the bass singing a high coloratura sporan solo! He's a regular Lady Eltinge.

It's going to be a very full evening, for there will be in addition to the sketch a real, honest-to-goodness magician, who takes rabbits right out of your pocket; a famous tenor soloist, a reader who can make you laugh till you cry—but that's all to be announced now, except that it's going to be held in the Methodist Church, and admission is 50 cents.

Further details will be announced in next week's issue of "Our Town." In the meantime, draw a circle around Friday evening, February 27.

### To Present Pageant.

"The Mission of the Christ Child" will be presented by the members of the Church School Service League of All Saints' Church next Friday evening.

The play will be given in the parish house, Wynnewood and Montgomery avenues, at 8 P. M. An offering will be taken, the proceeds to go to mission work, but there is no admission charge.

The church bus will leave Narberth station at 7.45 to take spectators to the parish house.

### Before the Burgess.

Some three score of Narberth's citizenry were called before Burgess Carl B. Metzger last Tuesday evening at Elm Hall.

The summons was issued to those who had permitted the snow and ice to lie on their sidewalks, and followed the promise published by the Burgess several weeks ago to enforce the Borough ordinance regarding snow removal.

The offenders were all released without fine after a lecture on civic duties had been administered.

## "EVERY-GIRL" AMERICAN BEAUTY PRODUCTS

### Demonstrated at Community Club.

The promise of enlightenment on new things to eat brought the largest attendance of the year to the Community Club meeting last Tuesday.

Owing to illness, Mrs. H. A. Jackson, the president, was absent, and Mrs. L. C. Duglass, the vice president, presided.

The hospitality committee announced that reservations for seats or tables for the dinner-dance on February 20 must be secured from Mrs. Eberhardt Mueller, phone Narberth 1293.

The Board of Directors announced their plan to have another carnival early in the spring, for the purpose of adding to the building fund.

Mrs. E. C. Griswold gave a report of the recent doings of Congress, the outstanding feature being the Muscle Shoals bill.

Mrs. C. P. Fowler gave a very interesting talk on the Child Labor Amendment, and Child Labor conditions in the United States.

Mrs. Eleanor Northup, who represented the Philadelphia Interstate Dairy Council, was introduced and gave a most interesting and entertaining talk on food values. Her able assistant, Miss Allen, gave directions for a daily health program in a humorous and spirited manner. Fine specimens of fruit and vegetables for body-building were displayed. Plenty of sleep, fresh air, water for drinking and bathing and "Cow's Vanishing Cream" (four glasses per day) were recommended as the finest and purest of beauty-givers. Miss Allen's advice to those seeking rosy cheeks was to take the rouge compact, walk three miles out into the country, bury it three feet deep, and walk back to it every day to see whether anything grows from it. She assures the diligent walker that the reward will be added health and natural color.

For those who would reduce she cautions—"Look into the mirror over the dining table, instead of looking into one over your dressing table."

Mrs. Northup, whose daily task is instructing mothers of undernourished children in the city, is a charming and delightful speaker. She said that few people eat enough green foods, such as lettuce and cabbage, which act as "scrubbing brushes" for the body membranes. On the other hand, most people eat too much meat. Every child should have a quart of milk and every adult one pint, each day. Natural sugar, such as that in dates, figs, etc., is much more wholesome than sugar "out of the bowl." Great care should be given to the diet of children of pre-school age, that their little bodies, teeth and general health may be strong during their school years.

Whole-grain breads are particularly recommended, and well-balanced meals are essential to health. Scientists are continually discovering elements in food and more efficient methods of cooking them, and housewives are urged to keep in touch with up-to-date methods. Discard old-fashioned and inefficient methods as you would and out-of-date dress. For small children, cereals and soups are valuable foods. The daily requirement of food is 2200 calories, and anyone who is reducing should not eat less than 1600 per day. If you are reducing DO NOT EAT BETWEEN MEALS, and combine dieting with exercise. Mrs. Northup says that it is better to cut down on the total number of calories per day than to eliminate just starches or sweets. In the food budget the following order should be followed: dairy products (largest amount), greens, cereals, meats and least, sugars.

## L. M. Basket Ball Loses Faulk

*Forward Collapses After Radnor Game*

Jimmy Faulk, regular forward of the Lower Merion basketball team, will be lost to the Maroon and White quintet for the rest of the season.

After the Radnor game at Ardmore last Friday, Faulk collapsed several times while on the way to the dressing room. A hurry call for a doctor was sent and after an examination it was found that the strain of fast playing had affected a weak heart to such an extent that further playing would be dangerous. Faulk was ordered home and instructions given that he was to be permitted to play in no more games this season.

Faulk was also active in baseball and football, and the past season made his letters in the grid sport. His playing contributed largely to the fine record which the Maroon and White basketballers have made this season and his absence will make a hole in a smooth working combination that is likely to give Coach Greigson trouble before it is satisfactorily filled.

Ruddick was tried at the vacant forward post in the game with Media this Tuesday afternoon. He was later taken out and Dave Bevan, last year's leader, was switched from guard to forward to take his place.

Lower Merion had little difficulty in taking Media High into camp in the second contest between these two schools Tuesday afternoon at Ardmore. The game was one-sided as is evident from the 31 to 15 score.

Both teams played a loose brand of ball. Captain Gilfillan and Dick Reinhold topped the home shooters in points scored. It was the second defeat for Media at the hands of Lower Merion; the first scrap a month ago resulting in a 32 to 20 count.

The contest was the second to be won the maroon and white basketballers in five days. Last Friday evening they took the measure of the Radnor High quintet for the second time this season. The final tally was 36 to 23.

Radnor did better in this contest than in the first played on its home floor. The score that time was 38 to 16 in favor of Lower Merion. Reinhold and Faulk scintillated for the Ardmoreites in Friday's game.

Today Coach Greigson's proteges meet Upper Darby at Upper Darby.

### Why Not?

Interest in the Community Bible Class, under direction of Dr. Shope, continues to increase with each succeeding lecture.

This is manifest not only in the increased attendance, but in the number and character of questions which are found in the question box at the close of the regular session. All who are interested in a comprehensive study of the Bible and in knowing why there are no contradictions between the Old and New Testaments as well as the various books of both or either and who are not attending this class are missing an unusual opportunity. The class is nondenominational, free and open to men, women and children, all of whom are invited to meet at the Y. M. C. A., Monday evenings. The lectures start at 8.15.

### Four Below Zero at Narberth.

The Co-operative Observer of the Weather Bureau informs us that the temperature on January 28 fell to 4 degrees below zero at 8 A. M., the lowest since February, 1918.

January was the coldest January since 1920. Snow remained on the ground for 30 consecutive days. Also a record for the month of January.

### D. A. R. Meeting.

The regular meeting of the Dr. Benjamin Rush Chapter, Daughters of the American Revolution, of Narberth, will meet at the home of Mrs. Tristan B. du Marais, Saturday, February 14, at 2.30 o'clock.

Mr. and Mrs. E. W. Fehr, of the Windsor-Essex, left Thursday, February 5, for a fortnight's visit to their former home, Chicago.

### Fashion Show.

Open your eyes, everybody, and you will behold wonders of beauty and style at the fashion show to be given by the Narberth Girl Scouts on February 21 at Elm Hall.

Not only are they planning to give Narberth its first fashion show, but an interesting program of specialty songs and dances is being prepared.

Following the fashion show there will be a dance and those gloom-chasing exponents of "jazz," Art Drum and his orchestra, will furnish the music.

No one can afford to miss this charming exhibition of suits, coats and dresses. We are hoping to see all who attended our show last year and also some new faces in our audience on the 21st.

### PLEASING CONCERT

Given by Main Line Orchestra Last Sunday.

The Main Line Orchestra, now composed of over fifty musical amateurs from all parts of the Main Line, gave the second concert of its season in the Ardmore Theatre on Sunday afternoon before an impressively large and intensely interested audience.

The orchestra is conducted by Adolph Vogel, of Narberth, a member of the Philadelphia Orchestra, and a few of the members of that organization assisted in the more unusual instruments.

The soloist was Miss Sally Caskin, a 13-year-old pianist, who gave a remarkable recital two years ago in Philadelphia. Little Miss Caskin gave a technically perfect and surprisingly mature performance of Mendelssohn's "Capriccio Brillante," for piano and orchestra, being obliged to respond with an encore number. In the second half of the program she played a Chopin mazurka, a Nocturne by Borodin and the whimsical "Golliwogs' Cakewalk," from Debussy's "Children's Corner."

The orchestra played splendidly. The piece de resistance of the concert was a lugubrious last movement from Tchaikowsky's Symphony Pathétique, a number difficult for the strings, but which was very well performed. Other numbers were the brilliant "Zampa" overtures of Herold; General Daves' "Melody in A Major;" Waldteufel's "Skaters' Waltz," and the three dances from the incidental music to "Henry VIII" by German. The tone of the orchestra is unusually good for an amateur organization, and it showed the great amount of rehearsal which has been done. There were here and there places where the intonation might have been better and the attacks more exact, but considering the difficulty of the program, the work was excellent throughout and the performance reflected great credit both upon the members of the orchestra and upon Mr. Vogel, the conductor.

Narberth showed its interest in the concert, in which many local musicians took part, by turning out in large numbers. A special bus was run to Ardmore, while many drove up, despite the dangerous roads.

### Legion Plans Play.

One of the most interesting and unique plays ever put on in Narberth is being planned by the Harold D. Speakman Post, No. 356, American Legion.

It is unique in that it has been written, and will be staged, by three Narberth Legion men, Messrs. Shinn, Bullock and Boyd; interesting, because it is so entirely different from any show ever attempted by any organization in Narberth.

This play has created considerable interest among the members, and rehearsals will start soon.

The "Legion Follies of 1925," as this play is called, will be staged in Elm Hall, April 17 and 18.

Tickets will be on sale in ample time for every one to secure a seat for the night they desire to attend.

### Circle to Meet.

The regular meeting of the Westminster Circle will be held at the home of Mrs. G. W. Bottoms, 501 Baird road, on February 12. Mrs. Graves and Mrs. Laughlin are the assisting hostesses.

## Cabin Walls Need Stretching

*Scouts Increasing With Every Meeting*

If you hear any noises, suggestive of earth cracks or the straining of a ship under a heavy storm at sea, and if that noise comes from the neighborhood of Essex and Elmwood avenues, on a Monday night, do not be alarmed.

There will be no occasion for a panic or the calling out of the reserves.

It is more than likely that it will be the scout-house expanding under the inside pressure of an ever-increasing membership. The Troop Committee is wondering what will happen to the old cabin when all the boys return from sick leave, making a full meeting possible.

Either the splendid leadership of Art Cooke and his able lieutenants, I. N. Wilson and Atherton Lane, or the able backing of the Troop Committee and the Fathers' Association, or most likely a combination of the two forces is working wonders with the boys of this town.

The Narberth troop is bigger and better than ever this year, and with a record membership already established, new boys are constantly coming in. In spite of sickness, the roll-call showed an attendance of 48 boys last Monday.

Five new boys were enrolled. Harry Thomas, Howard Claypoole, Robert Odiorne, Ralph Bowman and Robert Butler and of these Robert Odiorne further established himself by passing his tenderfoot test.

And, not to be outdone by the new members, Howard Wilson and Bob Caldwell rose to the dignity of second-class scouts, receiving their new badges with fitting ceremony.

Next Sunday morning, February 8, the troop will attend St. Margaret's Church, where a special service will be conducted in their honor by Father Brady, at 9 o'clock.

Each year a church service is held, the scouts attending all of the churches of the borough in rotation. Through the courtesy of Father Cowley, Sunday's service will be at the early hour so as to permit those members who are not Roman Catholics to go to their own churches or Sunday Schools after the Scout Service is over. The scoutmaster is desirous of having a full membership out and all scouts are to report at the scout-house promptly at 8.45 A. M., in full uniform. They will march from there to the church.

Don't forget this, boys. This is a great opportunity of showing Narberth your full strength. Be on time and see that you are completely uniformed to the last button.

Remember—8.45 on Sunday

### COUNTY SCOUT COUNCIL RE-ELECTS ITS OFFICERS

Delaware-Montgomery Annual Meeting and Dinner Held in Philadelphia

Mr. John Lewis Evans, of Haverford, president of the Delaware-Montgomery County Council of Boy Scouts of America, was re-elected president for 1925 at the council's annual meeting Saturday at the Bellevue-Stratford. Mr. Evans is a former Township Commissioner and is chairman of the Lower Merion Zoning Commission.

Other officers re-elected were: William P. Cochran, Frank M. Hardt and V. Gilpin Robinson, vice presidents; W. Lawrence Saunders, 2d, secretary; Howard Longstreth, treasurer; Isaac C. Sutton, commissioner; Dr. B. K. Wilbur, president of the Lower Merion Board of Health, was made associate commissioner.

Scoutmaster Cooke, Assistant Scoutmaster I. N. Wilson and Atherton Lane and Messrs. Claghorn, Mornington, Wolf, Harris, Lanahan and Edrop, of the Troop Committee, attended the meeting and banquet of the Delaware and Montgomery County Council of the Boy Scouts of America, at the Bellevue-Stratford, last Saturday. Mr. Lane, father of Atherton Lane, assistant scoutmaster, with the members of the Troop Committee, represented the Fathers' Association of Narberth.

## Women Advising Senators

*Tell Them to Keep Politics Out of World Court*

The Women's Community Club of Narberth at a recent meeting unanimously voted to take action on a suggestion which had been received from the National Federation of Women's Clubs. The National Federation, like many other national non-partisan organizations, is urging the United States to report out of committee the Harding-Hughes proposal for adherence by the United States to the Permanent Court of International Justice. This proposal has been repeatedly endorsed by President Coolidge and is now in the pigeon holes of the Senate Committee on Foreign Relations.

As a result of the vote of the local club the following letter was addressed to Senator George Wharton Pepper and copies of it were also sent to Senator Reed and to members of the Foreign Relations Committee:

Letter to Senator Pepper.

January 20, 1925.

Hon. George Wharton Pepper, U. S. Senate, Washington, D. C.

Dear Mr. Pepper: The members of the Woman's Community Club of Narberth at a regular meeting today have unanimously voted, with reference to political affiliations, to instruct me, as their president, to urge upon you their desire that the so-called Harding-Hughes proposal for adherence by the United States to the Permanent Court of International Justice should be reported out of the Senate's Foreign Relations Committee, of which we understand you are a member, to the full Senate for open debate, leading to a decisive vote at this present short session of Congress. As we understand it, this proposal has never been a subject of partisan politics and it is our earnest hope that you and Senator Reed will lend to it your sincere and powerful support at all stages leading to a favorable enactment.

Yours very truly,

(Signed) EMILY B. JACOBS.

### Juniors Meet.

The regular meeting of the Junior Community Club was held on Tuesday, February 3.

Mrs. Wood, of the Senior Club, gave us two very interesting book reviews. One, "A Woman of Fifty," by Rheta Childe Dorr, and the other, "When We Were Young," by A. E. Milner. Those of you who heard Mrs. Wood review these books over the radio or read last week's "Our Town," will appreciate these two books. They are now in the library.

The dramatic committee is still on the lookout for a good comedy to present this spring.

Margaret Eyre, our president, did a little broadcasting the other afternoon and told the public what the Narberth Junior Club has done since its organization four years ago. Margaret was rather modest so Peg Burrell read Margaret's speech at the meeting for the benefit of those who did not hear it over the radio.

### LOU YOUNG TO TALK

To Hi-Y Club at Its Next Meeting in Ardmore Y. M. C. A.

Lou Young, Penn coach, will talk next Wednesday to the Lower Merion Hi-Y Club at its meeting in the Ardmore Y. M. C. A. He will be the fourth speaker to appear before the club since it was organized a month ago.

Ben Owen, Penn intercollegiate pole vault champion, told the club about his Olympic experiences at the last meeting held last Thursday evening in Ardmore. At the meeting before that Charles Cranford, former Penn end and present physical director of the Ardmore Y, talked and, at the first gathering Bill Coleman, Penn Guard told about the trip of Penn's football team to California.

The Hi-Y Club was organized a month ago by Mr. Edwin D. Peake, of West Philadelphia, assisted by Principal C. B. Pennypacker. It is one of many similar clubs which have been organized by the Y. M. C. A. among the high school boys of the country. The clubs have 56,000 members in the United States.

The Lower Merion Club has at present 22 members. More will be accepted until it reaches the chapter limit of 40.

## SCHOOL NEWS

A Latin play was given by the 8-A grade in assembly Friday, January 30. The cast was as follows:

The Magister—Madeline Baughman.  
Dorothea—Dorothy Clevenger.  
Julius—Charles Ross.  
Marcus—Eugene Lane.  
Helena—Helen McCracken.  
Maria—Mary MacIntosh.  
Gaius—Llewellyn Brooks.

Other members of the cast were Virginia Douglass, Jean Staples and Vestus Spindler.

Solos were sung by Mary MacIntosh and Llewellyn Brooks. The entire class sang "The Old Gray Mare" in Latin.

Miss Tillotson, a Hawaiian, spoke in the Methodist Church. Miss Speakman was asked to have several musical selections. Piano solos were played by Marie Wentz, Katharine Smith and Fern Reger. A group of children from the junior high school sang "Golden Slumbers Kiss Your Eyes," Love's Greetings" and "Alohae."

There was a volley-ball game—7-B against 8-B. Though the 7-B won, George Burgess did some fine playing.

In the basketball game between Upper Darby and Narberth, Upper Darby won. The score was 11-9.

On Tuesday the school had the pleasure of entertaining several visitors, among them Mr. Jesse Harris, the treasurer of the school district, and Mr. Walton Wentz. Mr. Wentz gave a very helpful and instructive talk to Mrs. Crater's class in business training, emphasizing the need of careful attention to accuracy in work and to industrious habits as a preparation for a successful business career.

Miss Jenkins celebrated her birthday on Tuesday. As a mark of their affection her pupils gave her a fruit shower.

Report cards will be issued on Friday. We are all looking forward to this event with eager anticipation. One-half of the school year is now over and the end will be here before we are able to realize it.

Editors—Helen McCracken and William Henderson.

## COMMUNITY CLUB

(Continued from the First Page)

The Italian's diet is said to be the best. The American's average age of death was raised last year from 47 years to 52 years. Much of the credit for this is due to school instruction. At the time of the draft for the army, one third of the men were refused. Improper diet is blamed for such conditions. Scientists hope, by the study of food values, to add 20 years to the average American's life. The slogan of the country is "One Hundred per Cent Health for every child."

After Mrs. Northup's interesting demonstration of making a "sandwich loaf," the committee for the day served some of that delectable refreshment, with delicious cocoa with cream—"Oh, you who are reducing!"

Copies of receipts and balanced menus were distributed to all the members present.

## Insure Your Car

**T**HE man who buys an expensive car insures it as a matter of course.

But the car thief finds it easier to cover his tracks in the less expensive makes that are easier to disguise. And theft, damage suits or repair bills usually mean more to the man who drives a medium-priced car.

Your car, at whatever price, represents an investment that deserves protection. You, as owner and driver, need protection. And we can give it to you—dependable automobile insurance of whatever kind you need.

## NEWS OF THE CHURCHES

## BAPTIST CHURCH

## OF THE EVANGEL

Robert E. Keighton, Minister.  
Services, Sunday, February 8:  
9:45 A. M.—Church School.  
11:00 A. M.—Morning Worship.  
Sermon, "The Struggle Eternal."  
7:00 B. Y. P. U. Leader, John  
Timm. Subject, "Delinquents and  
Prisoners."

7:45 P. M.—Evening Worship.  
This is Interracial Sunday  
throughout the United States. The  
meaning of the day and its associa-  
tions with the life of Lincoln are  
self-evident. We have planned a  
program in accordance with the oc-  
casion.

We shall have at this service a  
Colored Male Quartet, who will  
sing several Negro spirituals. Our  
organist, Mr. Norton, will play ap-  
propriate music, one number being  
the Largo Movement from the New  
World Symphony of Dvorak. The  
theme of this movement is usually  
admitted by musical critics to be  
founded upon the themes of Negro  
folk-songs heard by Dvorak upon  
his visit to America.

The sermon topic is "Born with a  
Passkey to Human Hearts."

Wednesday, at 8 P. M.—A short  
devotional period will precede the  
quarterly business meeting of the  
church.

The topic for devotions is "The  
Setting of the Model Prayer."

## BOY SCOUTS

(Continued from the First Page)

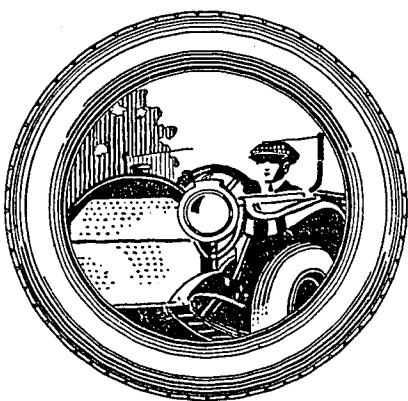

morning at the scout-house. Atta  
boy!

And on Monday night, Lieut.  
Commander Van Auker, U. S. N.  
will address the boys again. You  
remember how we enjoyed his  
story of the American participa-  
tion in the Grand Fleet during the  
war and of the accomplishments of  
Jellicoe, Beatty and Sims. Well,  
this time his subject will be "Our  
Navy." Will you be there? All  
together now. That's the stuff.

All you gripe cases, tonsillitis vic-  
tims and convalescents, shake off  
your maladies and be there strong.  
Commander Van Auker knows his  
stuff and you all know him.

On Saturday, February 21, the  
Narberth scouts will make their pil-  
grimage to Valley Forge. This is  
an annual event in which all the  
scouts of Delaware and Mont-  
gomery counties participate.

Details will be announced later.

## NEW BOOKS—OLD AND NEW

Recent Purchases Now Available for Library Patrons.

Since Christmas the publishers have brought out very few new books by the popular writers. This has created an opportunity for the library to expend some of its available funds on standard books, for which there has developed an increasing demand from adult readers and also from the high school students who are following their "required reading" courses. The list of new purchases which are now available at the Community Library and which is printed below, therefore, contains both old and new books and adds a permanent element of literary strength and usefulness to the library's steadily increasing collection that now numbers more than 3500 volumes. The complete list of January purchases follows:

A Puzzle Solved Without  
a Single Cross Word

## W-A-S-H-D-A-Y

There's a puzzle for you! Try to solve it yourself—and you bend and stoop all day over steaming tubs. Bring in a laundress—and you stay at home to oversee the job, prepare her lunch, and pick up after her. But you can solve it for good with just five words "send it to the laundry."

We have a service suited to every family budget. Everything will be washed—and part or all of it ironed, too, if you desire. We will take all the drudgery of washday out of your house—save you the health-breaking labor that winter washdays bring. Telephone us and we will call for your next weekly bundle.
